Enter your Adobe ID information.

Go to your Order Confirmation email.
Right-click the "Download ePub" link and select "Save As.."
*Note: URLLINK.acsm files have an expiration date of two weeks from purchase, please download your ePlay as soon as possible.

⚠️

I clicked "Download ePub" but nothing happened. What do I do?
When you click "Download ePub", a file called "URLLINK.acsm" will download to your computer. Depending on your browser settings, sometimes a dialogue box will not appear. To locate this file, check your Downloads folder.

If you are using the Google Chrome browser, right-click on the "Download ePub" link and select the "Save link as..." option.

ISBN/Code   **Book/Item**

41935 097413   **The Party Hop (Manuscripts of the one acts available in EF**
                      Download ePub

Open link in new tab	
Open link in new window	
Open link in incognito window	
Save link as...	
Copy link address	
Block element...	
Inspect	Ctrl+Shift+I
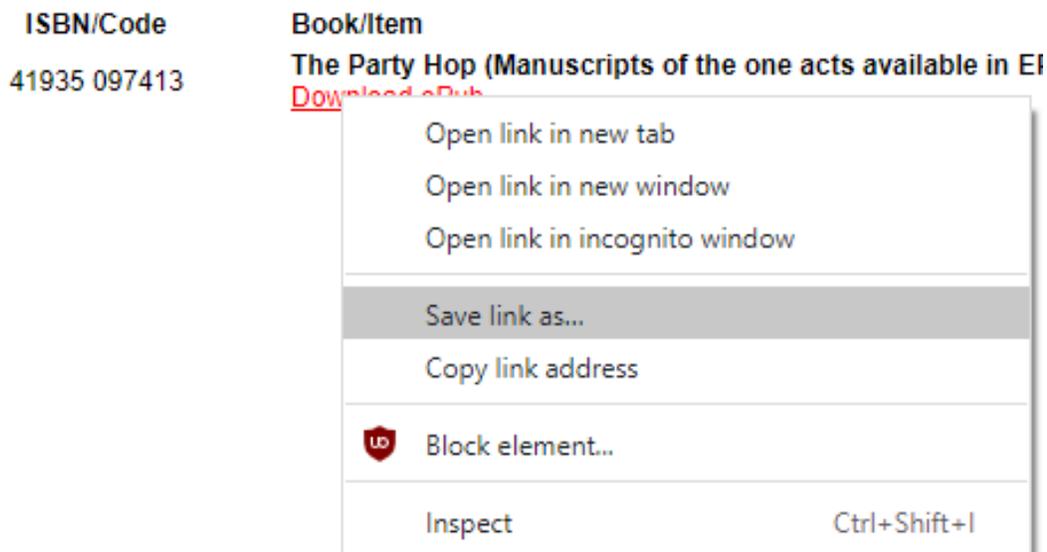

Due to a new security update in Chrome, a message will appear at the bottom saying that the URLLINK.acsm file cannot be downloaded securely. It is a prompt to ask the user that the file you are downloading is safe.

Next to the Discard button, click the arrow and select the "Keep" option to allow the download to continue.
